Re: *White et al v. Hesse et al*, 5:19-cv-01145-JD Notice of Supplemental Authority re:  
LCvR7.1(m) Notice of Supplemental Authority re: *Jones v. Governor of Florida*, No. 19-14551, 2020 WL 829347 (11th Cir. Feb. 19, 2020)

Dear Judge Dishman:

Plaintiffs wish to alert the Court that the Eleventh Circuit's decision in *Jones v. Governor of Florida*, No. 19-14551, 2020 WL 829347 (11<sup>th</sup> Cir. Feb. 19, 2020) was recently vacated in *Jones v. Governor of Florida*, No. 20-12003, 2020 WL 5493770 (11th Cir. Sept. 11, 2020) (en banc). Although this is a non-precedential case, we believe it is appropriate to advise the Court of this *en banc* ruling because we filed a Notice of Supplemental Authority concerning the three-judge panel's decision on March 4, 2020.

Respectfully submitted,

Aaron Lewis
